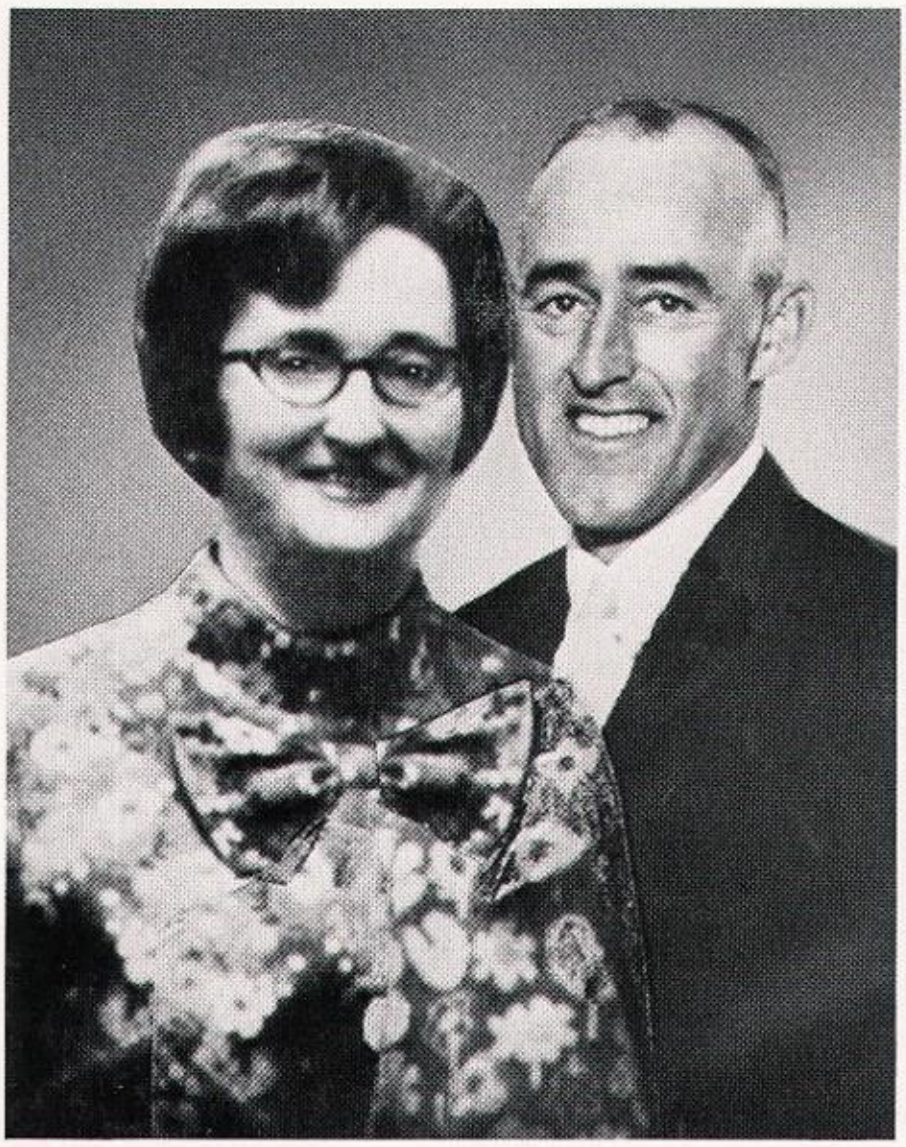
In Memoriam
Marilyn and Andrew "Bud" Oyen



God, In His Mercy

God, in His mercy, has laid out a plan,
Has guided their souls to a brighter land,
Has stopped the pain of this earthly life,
And taken them Home, where there is no strife,
Has given them rest in a beautiful place,
Where they will see Jesus, face to face.
Ah! Yes. We shall miss them, their wit and their smile;
Sincere and honest, they used no guile.
Loved by so many, they loved them back,
God in His mercy has taken Marilyn and Bud back.

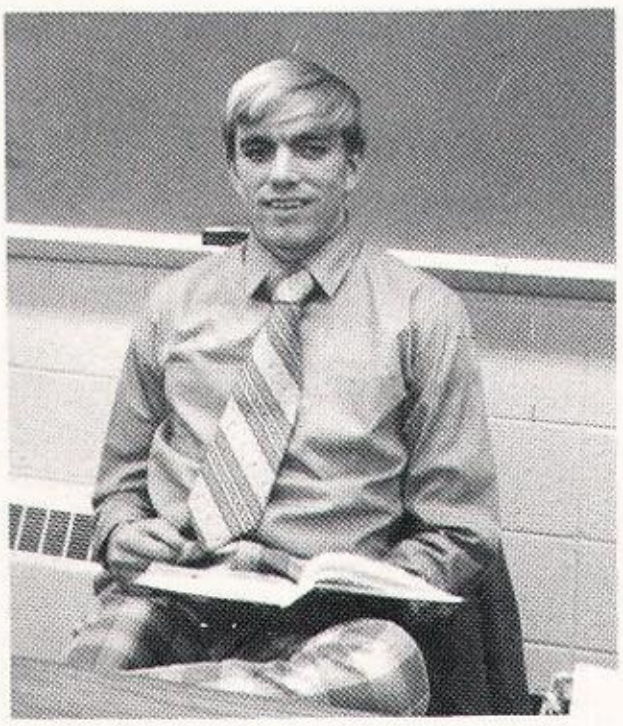
Smiles are for showing.

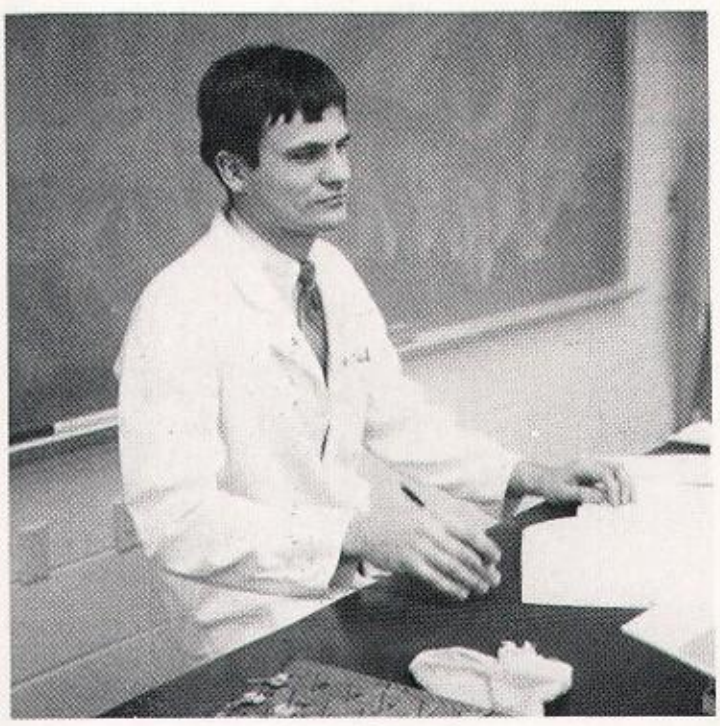
Since when is working problems so funny!

I'd like to teach the world to sing.



And you're asking me?!

This is the life!



I really "dig" this Chemistry.

Class Will of 1972

We the class of 1972 in the town of Grenora, the county of Williams, and the state of North Dakota, being in as good mental conditions as usual and in much better temper than usual, do hereby make this our last will and testament.

In this manner do we dispose of our possessions:

Kathy Bagaason wills all her many phone calls and letters from Dickenson to all the lonely hearts of Grenora.

Duane Dordahl wills his ability to grow a quick beard to Tessy who's been working on a mustache for some time.

Greg Garaas wills his three wheeler to Clarence Johnson to make his way around here a little faster.

Lee Garaas leaves his electronical abilities to Spark.

James Geltel wills his ungentlemanly manners, dry jokes, and wierd sense of humor to Pat Jacobson who never seems to think of anything to say.

Laurie Gunlikson wills her athletic abilities to next years basketball team. May they make good use of them.

Orla Gunlikson wills her colorful wardrobe to Chris Hendrickson who seems to prefer the basics.

Joan Hanson wills her friendly ways to Alice Running - the crabbiest girl around.

Marlin Hanson wills his ability to sleep through classes to Rodney Sveet who's always so interested in the class discussions.

Linda Johnson wills her spelling abilities to Luke Jacobson.

Sharyn Johnson wills her personality to Joyce Sorenson who could make good use of it.

LaRene Knudsvig wills her cheerful and smily ways to Sherry Haug - who doesn't seem to be enjoying life at all.

Ricky Kueffler wills his ability to make the bars to Duane Skabo - who's gonna need a darn good ID.

Barb LaFond wills her artistic ability to Dee Ann Dordahl - next years paper staff artist.

Ron Laqua wills his interest in English to anyone who considers it a bore.

Vince Laqua wills his little place out in the country to next years Seniors for their outings.

Blanche Ledahl wills her weekends in Ray to Cindy Rude who's always looking for someone or something new.

Joni Peterson wills her freckles to Kay Iverson, I'm sure she'll be overjoyed to have them.

Robert Rassier wills his sex appeal, charm, and exuberant looks to Jim Bratlien.

Doug Schaan wills his hours of basketball practice to Randy Hought to make up for the hours he skipped.

Connie Sneva wills her job at the lumber yard to Pam Jacobson who just can't seem to hold a job.

Geri Stewart wills all her trips to Crosby to Karen and Donna who are already getting a good start.

Doris Ann Thome wills her typing ability to next years typing class. They may really need it.

As a class we will all the time we've spent in the classroom to Chris Hendrickson who never stays in class, and to Susie Schroeder, who roams the halls all day.

To Mr. Ulland we leave our found identities: because we have discovered - You're O.K. and We're O.K.

To Mr. Smith we will a pair of track shoes so he may keep up with all the kids that roam the hall all day.

To Mr. Sortland we will the high standards we have set in his study halls so he will know how to run them in coming years.

To Mrs. Graupe we will our accumulated libraries at home to rebuild the schools collection.

To Mr. Tessmer we will all our friendly smiles so he may return a few of them in coming years.

We will 82¢ to Mr. Rehn to go in a fund for new maps for geography class.

To Mr. Dignan we leave a can of lysol spray to sweeten up his room.

As a class we will all our athletic abilities to Mr. Anderson for his basketball team next year. We realize what a great loss you will suffer.

To Mr. Smart we will our sarcastic remarks and a pair of orthopedic gloves so your baton can be a baton instead of a flying arrow.

We will all our democratic ways to Mrs. Smith so she doesn't have to worry about making the next days assignments by herself.

We will all our loose change to Mr. Hagen. He has a whole year left to pass out tens.

To Mr. Grenz we will all our thanks and appreciation for all the help and guidance you've shown us as a teacher and as a friend.

As a class we will our youth to the grade teachers.

To the juniors we will the honor of ruling the roost which you've already tried for one year.

To the Sophomores we will all our artistic talent so your prom can be as successful as ours.

To the freshmen we leave all our patiences so you can put up with all the upperclassmen.

To the cooks we leave all the Spanish Rice we took so we wouldn't get it as leftovers.

To the janitors we would leave our ambition if we had any left to leave.

Last but not least to our parents we will them our ability to cope through life when we're not there to help them along.

Senior Class History
1972

We entered the hallowed halls of the new Grenora High School as green freshmen in the fall of 1968. Our officers for the year were: Ron Laqua - President; Joni Peterson - Vice President; Blanche Ledahl - Secretary; Sharyn Johnson - Treasurer; Connie Sneva - Student Council Representative; Orla Gunlikson - Reporter; Marlin Hanson - Historian. Our advisor was Mr. Boe. We started our high school years with 30 members but Renae Shumake left us so we were only 29. We were initiated September 27 and we gave the upper classmen a return party on December 4. Wendy Wood was our Homecoming Queen candidate and her escort was Larry Geltel. Our homecoming float "Let's Skunk the Comets" got second place in the parade. Believe it or not we made it through our Freshman year and the next fall we found ourselves back in the halls of G. H. S. as Sophomores.

As Sophomores we numbered 29. Barbara Groskritz joined us to make our number 30, but she returned to Williston so we were soon 29 again. Marlin Hanson was our hard working President this year. Other officers were: John LaFond - Vice President; Sharyn Johnson - Secretary; Connie Sneva - Treasurer; Blanche Ledahl - Student Council Representative; Joan Hanson - Reporter; and Ricky Kueffler - Historian. Our advisors were Mr. Gray and Mr. Newton. Activities for the year were initiating the Freshmen on September 26, and serving for the Grenora Snowmobile races in February. Joan Hagge was our Homecoming Queen candidate with John Haskins as her escort. Our float "We're Expecting a Victory" placed second in the Homecoming Parade. Duane Dordahl was our candidate for Snowball King. Spring came and then summer and all too soon we were back in school, but this time as Juniors.

There were only 28 of us that fall. Cora Jean Haug had left us. Our mighty President for the year was Connie Sneva. Other hard working executives were: Joan Hanson - Vice President; Sharyn Johnson - Secretary; Ron Laqua - Treasurer; Blanche Ledahl - Student Council Representative; Joni Peterson - Reporter; and Duane Dordahl - Historian. Mrs. Graupe, Mr. Tessmer, and Mr. Dignan were our advisors for the year. During the year John LaFond and Greg Muller left us so we ended the year with 26 members. Activities during the year included serving for the high school and grade basketball games. We held a banquet in honor of the Seniors on April 28. Our prom was held May 7 with an adult prom on May 8. The theme of the prom was "Silence Is Golden" and the colors were orange, gold, and yellow. We danced to the music of Art and Helen. Joni Peterson was our Queen candidate and Duane Dordahl was her escort. She was first runner-up for Homecoming Queen. Our entry in the Homecoming Parade "Wash Out the Comets" won second place. Greg Garaas was our candidate for Snowball King. Soon, to our surprise, we found ourselves members of the MIGHTY Senior Class of 1972.

We elected as our officers for our final (?) year in G. H. S.: Blanche Ledahl - President; Laurie Gunlikson - Vice President; Sharyn Johnson - Secretary; Orla Gunlikson - Treasurer; Joni Peterson - Student Council Representative; Barb LaFond - Reporter; and Joan Hanson - Historian. Mr. Ulland and Mr. Rehn were our advisors for the year. Jon Wick and Mary Oster had left us so we started our senior year with only 24 members. Mary Lou Langberg Manger left us in October so we ended our year with 23 members. Our Homecoming Queen candidate, Joni Peterson, was crowned Homecoming Queen for 1971-1972. Her escort was Doug Schaan. Our float "Let's Have a Whale of a Victory" won first place in the parade. Vince Laqua, one of our King Candidates, was chosen as Spring Formal King. Greg Garaas was our other candidate. We also served for all the football games. We presented our class play "If a Body Meet a Body" on April 13. It was directed by Mr. Hagen with special help

by Mrs. Tessmer and Mrs. Solheim. We chose as our class motto "Our Dreams of Today Will be Realities of Tomorrow." Our class colors are yellow and orange. Our class flower is the yellow mum. Our Skip Day and Senior Night Out was May 12. We went to Medora for the day and to the State Line for supper. Class Night is May 19. Graduation is May 25.

So ends the history of the first class ever to complete four years of high school in the new school and the GREATEST class to ever leave the halls of G. H. S.

As a Class We Worked Hard With Our Studies!
